

Troop 618

Camping Gear List

The following equipment is recommended for most Troop 618 camping trips:

- Sleeping bag and pad
- Ground cloth
- Poncho or rain gear
- Water bottle
- Flashlight
- Personal mess kit
- Toothbrush and toothpaste
- Change of warm clothes, jacket, cap, gloves
- Sturdy shoes or hiking boots
- Personal first aid kit
- Scout Handbook
- Notepad and pen
- Backpack or duffel bag to put everything in

Additional gear may be recommended for specific trips.

We encourage our Scouts to pack their own gear for each trip, but Mom or Dad looking over the shoulder to make sure the sleeping bag gets packed is usually a good idea.
